

Miniature Horse Club Europe

*Invites to a Driving clinic
with Darin Southwick
29-30 March 2008 in Denmark*

It is with great pleasure that the MHCE is able to invite our supporters and other who is interested in a driving clinic with Darin Southwick.

Darin has been a professional Miniature Horse trainer for more then 10 years, and has many World titles in driving! And now he is ready to share his knowledge with YOU!

Don't miss out this outstanding opportunity to become better when working your horses, and have much more fun at the same time! This is a great chance to learn much more about working your horse in long lines and the basic driving skills from the beginning.

If you have a horse that is already broke for driving, you will be able to get lessons in small groups of 2-3 persons.

The clinic will be held at 5 Star Miniatures, Denmark.

The price for the weekend is only 75 euro per family including lunch both days, and free stalls for the horses.

Any questions please feel free to contact the secretary of MHCE; Malene Nielsen
